

It is our pleasure to share with you information below regarding available dates for LIVE, in-person shows of internationally and US-based companies for spring & summer, 2022 and the 22/23 season.

For these live tour dates, we are working from the perspective that many current barriers are going to be behind us (closed borders, quarantines, shutdowns). We recognize that each venue (and touring company) has different COVID safety protocols.

#### **INT'L ANCHORED LIVE ENGAGEMENT TOURS:**
